(13) "14—Forests and Tramway—A 6 (a) by transfer from A 1—a—2"

Mr. Parambi Lonappen (*Minister for Revenue*): Sir, I rise to move for an additional allotment of Re. 1/- under "14—Forests and Tramway—A 6 (a)" by transfer from "A 1-a-2". Hitherto the newly opened Kopathode Tanah was held in a temporary shed. As this temporary shed is found to be unsafe for holding the Tanah it is proposed to acquire a plot of land 20 cents in extent with a buildidg for locating the Tanah. The total acquisition charges including the cost of the building will come to Rs. 1,517—1—0. There is no provision for this in the current year's budget. The expenditure on this account has to be met from the head A.6 (a) the provision under which head is insufficient to meet the demand. But the additional requirement can be met from savings under the head A1-a-2 of the sanctioned budget. It is therefore necessary to transfer a sum of Re. 1 from A1 (a) 2 to A6a by a token motion. I request that the grant may be made.

(14) "15—Registration—(a) Miscellaneous"

Mr. Parambi Lonappen (*Minister for Revenue*): Sir, I rise to move for an additional allotmet of Rs. 1,305 under "15—Registration—(a)—Miscellaneous". The budget provision for the purchase of Registration ink for 1123 is only Rs. 800. But the cost of ink so far received this year including Railway freight and packing charges comes to Rs. 2,104—0—0. This is due to the abnormal increase in the cost of Registration ink. An additional allotment of Rs. 1,305 is therefore necessary under 15. Registration (a) Miscellaneous.

Demand put and carried

(15) "15—Registration—(q) Printing Charges"

Mr. Parambi Lonappen (*Minister for Revenue*): I rise to move for an additional allotment of Rs. 10,550 under "15—Registration—(q) Printing Charges."

Bills amounting to Rs. 14,549—0—2 being Printing Charges till the end of Mithunam 1122 were received in Karkadagam 1122. The balance of allotment avilable for adjustment was only Rs. 3,998—9—2 and the same was adjusted in 1122 itself. A sum of Rs. 10,550—7—0 remains to be adjusted under the head for the year 1122.

The budget allotment under Printing Charges for 1123 is only Rs. 4,000. As this amount will be required for meeting the current year's expenditure a sum of Rs. 10,550 is necessary as additional allotment under "15—Registration—(q) Printing Charges." I request that the grant may be made.

(16) "20—Law and Justice—B (2) District Court—Contingencies—Office Expenses"

Mr. Parambi Lonappen *(Minister for Revenue):* I rise to move for an additional allotment of Rs. 750 under "20—Law and Justice—B(2) District Court—Contingencies—Office Expenses."

Consequent on the creation of Temporary Additional District Court of Anjikaimal one more stenographer and an additional typist were entertained. The necessity for one more type-writer arose and a new machine was sanctioned for the Temporary Additional Court. A sum of Rs. 750 is required for adjusting the cost of the type-writer. Funds are not available under any other heads for meeting this expenditure by re-appropriation. An additional allotment of Rs. 750 is therefore necessary under "20—Law and Justice—B(2) District Courts—Coutingencies—Office Expenses." I request that the grant may be made.

Demand put and carried

(17) "26-Medical—1-Medical proper—Miscellaneous"

Mr. Parambi Lonappen *(Minister for Revenue):* I rise to move for an additional allotment of Rs. 5,000 under "26—Medical—I—Medical Proper—Miscellaneous."

The T. B. Sanatorium proposed to be started at Mulakunnathukavu is only under construction. Its construction is expected to be over by the end of this year. Until the Sanatorium in the State is started the T. B. patients of this State have to seek admission in institutions outside the State. The union Mission Tuberculosis Sanatorium at Arogyavaram near Madanapalli affords facilities for such patients for Sanatorium treatment and has been admitting them as far as possible. For the generous provision made for patients from this State in this Sanatorium it is only fair that the Government render them whetever financial assistance they can. The authorities of this institution have now requested for help from this Government for making some improvements to their institution. Last year a some of Rs. 5,000 was contributed. This year also a sum of Rs. 5,000 is proposed to be contributed. As this item of expenditure was not anticipated at the time of framing the current year's budget definite provision could not be made. Hence an additional allotment of Rs. 5,000 is necessary under "26—Medical—I—Medical Proper—Miscellaneous" for this purpose. I request that the grant may be made.
